# Filing Illinois Sales Tax Has Never Been Easier
### *efileSalesTax.com Offers Fast, Easy, Solution for filing Illinois Sales Tax Returns*

**NEWBURY PARK, Calif. – (May 19, 2008) –** efileSalesTax announced today that its online efiling service has been approved by Illinois's Department of Revenue for Sales Tax Returns.

Illinois taxpayers or tax professionals needing to file Illinois Sales Tax Returns can now file faster and easier at www.efileSalesTax.com.  Benefits to using the efileSalesTax.com filing system include:

- **Easy, yet powerful** – Robust enough for Tax Professionals, easy enough for Novices.

- **Save time** - efileSalesTax.com is fast, accurate, and hassle free. Most users file in under 10 minutes!

- **Eliminate Errors** - All calculations are done automatically, the form is filled out and submitted perfectly, and users receive instant confirmation from the state.

- **QuickBooks Compatible** - You can import your sales information directly from QuickBooks into efileSalesTax.com.

- **Ready Assistance -** An online help and resource center, phone and e-mail support, as well as help built right into each line of the form.

At only $6.95 per filing, with discounts up to 20% for pre-paying the fee, efileSalesTax.com is a bargain to use.  For Tax Professionals with multiple clients, efileSalesTax also offers unlimited IL sales tax filings for $199 per year.  Registration is free at efileSalesTax.com and there is no charge to start a filing and take the system for a test drive.

CPA Technology Advisor Magazine recently gave the efileSalesTax.com system 4 ½ out of 5 stars, saying it is a "very easy to use system".  You can read the review online at http://www.cpatechnologyadvisor.com/article/article.jsp?id=1647.   Look for a new review in the August 2008 issue of CPA Technology Advisor.

In 2007, efileSalesTax.com was distinguished with a second place award in the Reader's Choice Award conducted by *CPA Technology Magazine*. You can find the article here http://www.cpatechnologyadvisor.com/print/The-CPA-Technology-Advisor/2007-Readers-Choice-Awards/1$1875
