

## **Filing Florida Sales Tax Has Never Been Easier**

*efileSalesTax.com Offers Fast and Easy Florida Sales Tax e-Filing in both English and Spanish*

**NEWBURY PARK, Calif. – (Sep 17, 2008) –** Whether you are a tax professional filing Florida sales tax returns for your clients, or a business owner filing for yourself, sales tax filing can be a pain. Well, efileSalesTax.com has the solution, offering fast, easy, and affordable sales tax filing. And it's now available in both English and Spanish!

efileSalesTax.com has added many enhancements, and they will be showing their latest Florida Sales Tax software at the upcoming 23rd Annual Accounting Show, on Sep 25-26, 2008, at the Broward County Convention Center, 1950 Eisenhower Blvd., Ft. Lauderdale, FL 33316. See them at Booth 516

Some of the features and benefits they will be showing are:

- Sophisticated validations, that warn the user of potential issues
- Automatic calculations
- Automatic rates and form updates
- QuickBooks Import
- Cover Letter Generator
- Free archiving, viewing and printing of completed returns
- Email and Text Reminders
- No software to purchase or install
- Free registration and trial
- Compliant and approved by the Florida Dept. of Revenue
- Disponible en Español (the only vendor to offer this!)

efileSalesTax.com is robust enough for the tax pro, yet easy enough for the tax novice. Users actually say efileSalesTax.com makes sales tax filing fun!

The software is also a bargain. For single company filers in Florida, it's only \$29 per year, and for tax professionals filing for multiple companies, it starts at only \$99 per year. Registration for a login today at [www.efileSalesTax.com](http://www.efileSalesTax.com).
