

## **efileSalesTax.com Now Supports California Sales Tax Schedules B and C**

**NEWBURY PARK, Calif. – (July 24, 2007)** – For businesses required to file California Sales Tax Schedules B or C, [efileSalesTax.com](http://efileSalesTax.com) now provides a quick, simple, and accurate system for single and multiple location businesses to file their sales tax returns.

For large businesses with many locations, efileSalesTax.com offers an import feature for Schedule C that auto-populates the information directly into the system from a spreadsheet or text file. In addition, [efileSalesTax.com](http://efileSalesTax.com) automatically validates the Schedule B and C totals against the tax form verifying that they match, which is a California requirement.

Benefits of using the [efileSalesTax.com](http://efileSalesTax.com) system include:

- **Save time** – [efileSalesTax.com](http://efileSalesTax.com) is fast, accurate, and hassle free. Most users file in under 10 minutes!
- **Eliminate Errors** - Using a secure online portal, all data is calculated automatically and generated into an official state-approved sales tax form. All you need to do is print, sign and mail.
- **QuickBooks Compatible** - You can import your sales information directly from QuickBooks into [efileSalesTax.com](http://efileSalesTax.com).

At only \$4.95 per filing, with discounts up to 20% for pre-paying the fee, [efileSalesTax.com](http://efileSalesTax.com) is a bargain to use. For \$195 efileSalesTax also offers unlimited filings for a year. There is no software to purchase or install, and the system is compatible with PC, Mac, and Linux-based systems. Registration is free at [efileSalesTax.com](http://efileSalesTax.com) and there is no charge to start a filing and take the system for a test drive.
